PRAY.

1. **Building Project:** Pray for the church's various ministries, and pray that God will lead and build up the church to bring out the ministry to the city and community.
2. **Members:** (a) Thank God for those who are being baptized today! Pray for spiritual protection and wisdom as they pursue a deeper knowledge of God and seek to follow Christ. (b) Pray for Cecilia's friend, who is losing one of her twins in pregnancy. (c) Thank you to everyone who has helped Toby and Mai in this difficult time. Please continue to pray for their family, that God would make his presence known and provide hope and healing.
3. **Community:** As Canada's federal election approaches, pray for wisdom for those voting, and that God would guide our leaders to provide for those who need it most in our country.
4. **World:** Due to blocked food and aid, as well as airstrikes which have killed a number of civilians, there is a great humanitarian crisis on the Gaza Strip. Continue to pray for the victims and their families, and plead with God for peace.
